

Senior Cost Manager / Senior Quantity Surveyor– Civil (Hospitality Projects)

About us

At WT, we empower our clients to grow, inspiring confidence through independent advice and inventive thinking to create sustainable value across all aspects of the built environment.

We are a leading international project advisory firm with more than 75 years of multi-sector experience.

Our clients can tap into the collective thinking of over 2,000 of the best people in the industry, operating from 70+ offices throughout Australia, New Zealand, Asia, India, Middle East, North America, Africa, the UK and Europe.

In India, we support our clients across property, construction and infrastructure with an award-winning team of specialists in cost management and quantity surveying, project management, portfolio and program advisory, commercial advisory, carbon and sustainability, and digital solutions.

Roles and Responsibilities

- Lead cost management and quantity surveying for large-scale hospitality projects.
- Prepare, manage, and monitor project budgets for both pre-contract and post-contract phases.
- Handle cost planning, estimation, BOQ preparation, tendering, and procurement.
- Evaluate contractor claims, variations, and prepare cost reports.
- Ensure project delivery within defined time, quality, and cost parameters.
- Collaborate with project stakeholders, including clients, consultants, and contractors. Provide expert advice on cost optimisation and value engineering.
